

Continuing Education Requirements:

The Board will require signed statements from licensees affirming that they are in compliance with the CEU requirement. The statements will be printed in the license renewal forms that are returned with the license renewal fee each year. Licensees will be subject to random audit of their continuing education documentation.

- Each licensee will have a three-year cycle to complete the required 30 CEU hours.
- Your current CEU cycle is 1/1/2019-12/31/2021 unless you requested it be synced with your ASHA cycle, all 30 of your CEU hours must be completed within these dates. CEU hours completed after these dates are counted towards your next CEU cycle beginning on 1/1/2022 and ending 12/31/2024. Your cycles will continue on in three year cycles as shown above.
- If you would like to change your CEU cycle, you may send in a written request to do so. **This may only be done once.**

If audited

- With ASHA: CEUs and CMUs recognized by ASHA toward the certification maintenance will be accepted by the board of Examiners. Licensee's may use their ASHA CEU Course Transcript as verification of completed CEU hours. Licensees may refer to the following site regarding the ASHA CEU guidelines and registry – <https://www.asha.org/certification/maintain-ccc/>
- Without ASHA: The licensee will be required to maintain a log and Official CEU activity award documentation for all CEU activities. This documentation should include but not limited to, the date/dates of course completion, CEU credits/ hours awarded for course, the course name, provider of the course name, and signature of instructor/ provider of the course. These records are to be kept for a period of five years. Registries from American Academy of Audiology (AAA), American Speech- Language- Hearing Association (ASHA), and Department of Public Instruction (DPI) will also be accepted as proof of CEU compliance.

At the present time, the Board **WILL NOT REVIEW OR APPROVE ANY INDIVIDUAL COURSES OR ACTIVITIES SUBMITTED FOR CEU CREDIT. ONLY PROFESSIONAL COURSES IN THE AREAS OF SPEECH- LANGUAGE PATHOLOGY AND AUDIOLOGY ACCEPTED BY ASHA, THE DEPARTMENT OF PUBLIC INSTRUCTION, OR THE AMERICAN BOARD OF AUDIOLOGY TOWARDS MEETING THEIR CEU REQUIREMENT WILL BE ACCEPTED BY THE BOARD.**
