

**APPLICATION FOR TEMPORARY LICENSURE IN AUDIOLOGY**  
**INSTRUCTIONS TO APPLICANTS**

**NOTE TO APPLICANTS:** The most common reason for delay in the consideration of an application is error in completing the application accurately, providing the required information, and not following the instructions. Error can be avoided if you proceed in the application process carefully, thoroughly, and accurately. **IMPROPERLY COMPLETED APPLICATIONS WILL BE RETURNED.** If you have questions or need assistance, call the Board of Examiners at the above listed number.

1. Persons seeking temporary license in audiology must complete all Sections of the application and have the application signed by their Program Director. They must also provide
  - a. **Official (not student copy) transcripts** verifying all coursework listed on the application form. **Course titles on the transcript which do not indicate the course content must be clarified by providing a copy of the university catalogue description of the courses** ( e.g. Seminar in Audiology, Advanced Audiology, etc.). Notations of clinical supervisors in Section III **must include FIRST NAME, LAST NAME, AND N.C. LICENSE NUMBER OR ASHA IDENTIFICATION NUMBER** of all supervisors.
  - b. Applicants for a temporary license (Section 90-298) must submit a plan for supervision during the supervised experience year [Section 90-295(d)] on the form supplied by the Board. This plan does not need to be submitted at the time the application is submitted for review of the academic and clinical practicum work. However, **the plan must be approved by the Board before the applicant can be granted a temporary license and before the applicant can begin any practice.** The applicant has six months to obtain employment and submit a plan for supervision, after which your application becomes inactive. If your file becomes inactive, you must submit a new application. SEY plans can be approved by the Board's office and do not have to be reviewed at Board meetings.
  - c. **Examination:** Applicants must contact ETS and request that their score be made available on-line to the N.C. Board of Examiners. The Board's reporting code is 7757. A passing score is required before the application can be reviewed. The passing score is 170.
